

Gracious God, we thank you for St. Matthew's parish in Regina.

We remember the many souls who contributed toward the ministry and have now gone to greater service.

We ask for your blessing upon the many members who continue to offer themselves in the ministry as well as those who will yet enter into the fellowship of this congregation.

May your Word and Sacrament be present in this community for the furthering of your kingdom.

This we pray in the name of your Son Jesus Christ, our Lord and Saviour.

Amen
